This year's Ambassadors' Legislative reception will be held Monday evening in the Capitol View Room of the Hyatt.

Please make your hotel reservations directly with the Sacramento Hyatt Regency at (916) 443-1234 prior to March 22, 2007, making sure that you ask for "in house" reservations indicate that you are attending the CFRW Advocacy Workshop. Advocacy Workshop registration will be centrally handled this year. Packets and forms will be mailed in early February.

The 31st Annual Advocacy Workshop was a resounding success by the comments of several of the 500 adults and students who attended.

The students especially like the one on one with legislators and professional lobbyists in the morning. At the same time adults were treated to some of our won Republican Assemblymen and Senators.

The Annual Advocacy Workshop is intellectually stimulating, informative and fun. In addition, we are finding new ways to make a difference. It affords the opportunity to introduce our high school students to the Republican philosophy and see first-hand how their state government works.

Plan to attend this year and bring a student or two for the 32nd Annual Advocacy Workshop at the Sacramento Hyatt Regency Tuesday, April 24, 2007!
