December 6, 2019

Dear CFRW Members,

We are looking forward to seeing all of you at the CFRW Winter Conference in San Diego, February 7-9, 2020, as we CHART OUR COURSE FOR THE FUTURE.

The restructure is complete and the new streamlined California Federation of Republican Women is here. WE ARE ONE! We are on a two-way highway between our individual clubs and our State organization.

There will be much information presented at this Conference that you will not want to miss. Your new Executive Committee has been working hard to be able to present you with the beginnings of what is to come.

The Board of Directors meeting will be held on Friday afternoon, February 7, 2019, from 1:00 to 5:00 p.m. All members of the Board of Directors are expected to attend. This is where the business of the California Federation of Republican Women will take place. Even though it is a Board of Directors meeting, it is open to all members. I want to personally invite all Club Presidents to the Board of Directors meeting. This is where you will find out the nuts and bolts of how CFRW is and will be run.

Saturday will be Conference Day which will be informative and include exciting speakers. There will also be a Club President Roundtable with the Regional Directors. Sunday morning there will be four very important workshops.

With our streamlined CFRW, it is important that as many people as possible from all clubs attend the CFRW Conferences. This is where you will learn, this is where you will connect, this is where your future leaders will be trained and this is where you will get the guidance needed to go back to your clubs and make them even more successful.

For the Federation,

Sue Blair
CFRW President, elect
2020-2021

Janet Price
CFRW 1st Vice-President, elect

2020 BYLAW REVIEW FOR CLUBS - Shirley Mark, CFRW Bylaws Chair

Bylaws are the governing rules of our organization and define the objectives, responsibilities of officers and the board of directors, and guidelines for membership, nominations and elections, and much more. Clubs are chartered under the umbrella of NFRW but operate under their own bylaws. Although independent, club bylaws must not conflict with NFRW or CFRW Bylaws.

Due to the CFRW restructure all clubs must review and update their bylaws making sure that important changes are reflected in their club bylaws, and that there are not conflicts between club bylaws and the bylaws of NFRW and CFRW. We will discuss requirements, deadlines and the new dues structure. Join us and be part of the new CFRW.
